

Frinton-on-Sea
A Brief History and Guide
by
Frinton & Walton Heritage Trust

The History Group of Frinton & Walton Heritage Trust became aware of a need not only for a concise history of the town but also a guide for visitors and residents alike. This new publication tells the story of Frinton from its early beginnings as well as how the present appearance of the town came about, thus setting in context the 'old and the new' in one publication.

The 68 page book includes pencil sketches of Frinton, together with sketch maps of the area and town and is priced at £9.95 with a £1 discount per book for Trust members.
